BROCHURE 2020.

BMW K 1600 GT.

MAKE LIFE A RIDE.

OVERVIEW.

The BMW K 1600 GT enhances riding pleasure, riding comfort, riding safety and operating convenience to a previously unattained level in the touring sector. The long-distance racing bike among premium tourers combines superior performance and riding dynamics with absolutely comfortable long-distance capability and safety equipment that is second to none. The compact, powerful six-cylinder in-line engine is already legendary: its running smoothness is fantastic, the sound absolutely impressive and the performance is beyond any doubt. With a maximum power of 160 hp (118 kW), the bike travels smoothly on the motorway even at high speeds. Tricky corners are covered nimbly. And when cruising in a relaxed manner, the superior running smoothness is impressive. Three preselectable riding modes (Hill Start Control, Dynamic ESA, ABS Pro) and the reverser and optional shift assistant Pro ensure maximum riding comfort as standard. The quality of suspension and damping, braking, ABS control and aerodynamics is just as much a pleasure as the seat comfort and ergonomics of the K 1600 GT. A whole range of other equipment options such as the adaptive cornering light, Keyless Ride and central locking provide even more comfort. The premium tourer offers maximum comfort, which is also reflected in the dynamic and elegant design of the bike.

ND2 Paintwork in Black Storm Metallic/Seat in Black/Drivetrain in Platinum

STANDARD EQUIPMENT.

BMW K 1600 GT

Model code: 0F01

Engine/drive

- Four-stroke in-line six-cylinder engine
- Four valves
- Capacity: 1,649 cc
- Max. output: 160 hp (118 kW) at 7,750 rpm
- Max. torque: 175 Nm at 5,250 rpm
- Electronic fuel injection, electronic engine management
- E-Gas (ride by wire) electronic throttle control
- Two regulated three-way catalytic converters
- Stainless steel exhaust system
- Six-speed synchromesh gearbox
- Shaft drive
- Compliant with Euro 4 emissions standard

Dimensions/weight

- Length: 2,324 mm
- Height excluding mirrors(width including mirrors): 1,440 mm/(1,000 mm)
- Wheelbase: 1,618 mm
- Unladen weight, fully fuelled/road-ready: 334 kg
According to guideline VO (EU) 168/2013 with all equipment, with standard equipment, and filled to at least 90% of the usable tank capacity.
- Permitted total weight: 540 kg
- Max. load (with standard equipment): 206 kg
- Usable tank volume (reserve): 26.5 l (approx. 4 l)

Performance/fuel consumption

- Max. speed: over 200 km/h
- Fuel consumption per 100 km according to WMTC: 5.9 l
- CO₂ emissions in accordance with WMTC: 138 g/km
- Fuel type: Premium unleaded, 95 octane (RON)

Chassis

- BMW Motorrad Integral ABS (partially integral) with ABS Pro (ABS control that adapts to the motorcycle’s banking angle)
- DTC (Dynamic Traction Control), switchable
- Dynamic ESA, adjustable via riding modes
- BMW Motorrad Duolever
- BMW Motorrad Paralever
- Steplessly adjustable rebound damping at the rear
- Spring preload at the rear, hydraulically adjustable
- Double disc brakes at front (diameter: 320 mm), four-piston fixed caliper in Black
- Single disc brake at rear (diameter: 320 mm), double-piston fist caliper
- Cast aluminium wheels (120/70 ZR 17 at front, 190/55 ZR 17 at rear)
- Side stands with ignition cut-out switch

Electrical system

- Xenon headlight
- Multifunction display with on-board computer:
 - Multifunction display: digital clock, gear indicator, fuel gauge, coolant temperature and range indicator, total and three trip distance counters, service interval indicator
 - On-board computer: range, average consumption 1 and 2, average speed, outside temperature, stopwatch, journey time, date and oil level
- Instrument cluster with speedometer and rev counter
- 2 power sockets
- Cruise control
- Heated grips and seats
- CAN bus with Single Wire System (SWS)
- Electronic immobilizer
- Diagnostic interface
- Hazard warning lights
- White LED indicators and LED rear light

Equipment

- Fully adjustable electric windshield
- Two-piece seat, height-adjustable rider seat (seat height: 810 / 830 mm / step length: 1,830 / 1,870 mm)
- Built-in touring panniers, pannier lids in bike colour
- Luggage grid
- Centre stand
- One key system for ignition, steering, fuel filler cap, storage compartments, panniers and seat locks
- Adjustable brake lever and clutch lever
- Lockable storage compartment and on-board literature

Special features

- Three riding modes: “Rain”, “Road” and ”Dynamic”: BMW Motorrad Integral ABS, Dynamic Traction Control (DTC) and damping levels vary according to riding mode
- On-board computer, vehicle settings and optional audio system operated using the multi-controller
- HSC Pro (Hill Start Control)
- Reversing assistance
- Wet multidisc anti-hopping clutch, hydraulically operated, self-energizing, low operating force

Colours

- ND2 Paintwork in Black Storm Metallic/Seat in Black/Drivetrain in Platinum
Includes surcharge for metallic paint finish.
- ND5 Paintwork in Black Storm Metallic/ Glacier Silver Metallic/Seat in Black / Frame in Asphalt Grey Metallic Matt/ / Drivetrain in Black
Only available for BMW K 1600 GT Sport at an additional cost.

Illustrations may show optional equipment.

OPTION 719.

MAKE YOUR BMW K 1600 GT
ONE OF A KIND WITH OPTION 719.

Customize your BMW K 1600 GT already at the factory. Make your bike a one-off with the exquisite, high-end Option 719 custom paintwork with traditional hand-painted lines, elegant forged wheels or the premium seats with embossed quilting.

1 Option 719: Classic forged wheels

The high-quality Classic forged wheel of the exclusive Option 719 presents itself in an elegant two-colour look with all-round polish milling. The special surface treatment with detailed milling contours and the nine-spoke design give the touring bikes a soft and particularly valuable appearance.

Option code 791

Option 719 seat / Option 719 seat II

Exclusive looks, and materials to match: the Option 719 seat looks particularly striking thanks to its intricate stitching and distinctive embossed quilting. The material is as elegant as it is high quality, with subtle Saddle brown or Dark brown marbling perfectly complementing the espresso-coloured background. The Option 719 embroidered flag-motif is also meticulously crafted. Seat heating included.

- Option 719 seat (Saddle brown)

Option code 317

- Option 719 seat II (Dark brown)

Option code 31B

3 Paintwork: Option 719 Stardust metallic

The Option 719 Stardust metallic paintwork gives the machine an exclusive, particularly elegant shine. Depending on the incidence of light, a variety of fascinating effects are created. The elegant impression is rounded off by the elaborate hand-painted lines in Ivory paint.

The drivetrain is available in black.

Option code H08

4 Paintwork: Option 719 Blue planet metallic/Ivory

The Option 719 Blue planet metallic/Ivory paintwork gives the machine an exclusive, brilliant shine. Individual accents are set by the ivory-coloured hand-painted lines on the front trim panel, side panels, tank cover and panniers as well as the wind deflectors in Chrome.

The drivetrain is available in black.

Option code H0D

ORIGINAL BMW MOTORRAD ACCESSORIES.

HP PARTS.*

1 HP sports silencer

Craftsmanship at its finest: A double-flow slip-on silencer with high-quality conical titanium casing, crossover pipes and mounting system made of stainless steel, plus end-cap made of carbon. With three tailpipes on each side, the BMW K 1600 GT generates a rich, throaty sound to deliver a thrilling riding experience.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- HP sports silencer
- (+) Mounted parts

STORAGE.

2 Impact protection system for touring panniers

The impact protection is made of sturdy plastic, protects the touring case at the front, bottom and sides from scratches and damage.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- Impact protection system for touring pannier (left and right)

- Protective film for touring panniers

The self-adhesive and transparent film protects top and side surfaces of touring cases from small scratches.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Protective film for touring pannier, top (left and right)

3 Inner bags for touring cases

The matching inner bags for the touring cases get the luggage organised and facilitate loading and unloading.

- Inner bag for touring case, left
- Inner bag for touring case, right

STORAGE.*

4 Touring top box

This high-quality touring top box with backrest pad and full equipment offers 49 litres of storage space. The waterproof luggage box with a painted lid (Fig.: Blue planet metallic) has two gas pressure dampers, interior lighting and carpet lining. The lock can be conveniently operated via central locking. The maximum load is 10 kg.

- Touring top box
- Backrest pad for touring topcase, Brown or Dark brown

5 Inner bag for touring topcase

The matching liner for the touring topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include two external patch pockets and a wide-opening lid.

- Inner bag for touring topcase

6 Storage compartment for touring topcase

The storage compartment gets the topcase organised thanks to document storage, two small items compartments and a pen holder.

- Storage compartment for touring topcase

7 Additional brake light for touring topcase

The clear-glass LED additional brake light enhances passive safety and blends perfectly into the existing top box lid cover.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.
Not suitable for the light touring topcase.

- Additional brake light for touring topcase

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer. For information on speed and load limitations, please refer to the instruction booklet.

(+) = "and" this item must be ordered at the same time

ORIGINAL BMW MOTORRAD ACCESSORIES.

STORAGE.*

Tank bag and variable insert for tank bag

The waterproof main compartment of the tank bag can be expanded from 10 to 12 litres and features a small view pocket with a removable panel. There are two outer pockets and one inner pocket for small parts. The practical variable insert is also suitable for dividing the interior of the tank bag. With carry handle and detachable shoulder strap.

- 1 • Tank bag, 10 l–12 l
- 2 • Adjustable insert for tank bag

3 Bag for luggage carrier

With a volume of 4.5 litres, the bag for the luggage carrier is a practical addition or alternative to the tank bag.

- Bag for luggage rack, 4.5 l

4 Small softbag, 30–35 l

The small softbag with its waterproof main compartment and water-repellent exterior pockets offers a storage volume from 30 to 35 litres. The padded carry handle and a shoulder strap make transport easy. Can be mounted individually to the bike with adjustable straps with snap-fit fasteners.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- Small softbag, 30–35 l

Atacama luggage roll

The extremely durable Atacama luggage roll sports many clever details and an enormous storage volume of 40 litres.

- 5 • Atacama luggage roll, 40 l
- 6 • Tension strap for Atacama roll bag, lockable

STORAGE.*

7 Folding backpack, 12 l

The lightweight folding backpack is a helpful companion when spontaneous storage space is required on the move. It can be stowed under the seat.

- Folding backpack, 12 l

DESIGN.

Option 719 Classic forged wheels

The high-quality Classic forged wheel of the exclusive Option 719 presents itself in an elegant two-colour look with all-round polish milling. The special surface treatment with detailed milling contours and the nine-spoke design give the touring bikes a soft and particularly valuable appearance. Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- 8 • Option 719: Classic forged wheels, front
(+) Mounted parts
- 9 • Option 719: Classic forged wheels, rear
(+) Mounted parts

Chrome parts

Choose the look you want: these elegant, high-quality chrome parts can be combined as you wish, giving your BMW K 1600 GT a unique, stylish edge.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- 10 • Touring topcase lid trim, chrome-plated
- 11 • Pannier rails, chrome-plated (left and right)
- 12 • Windshield trims, chrome-plated (left and right)
(+) Mounted parts

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer. For information on speed and load limitations, please refer to the instruction booklet.

ORIGINAL BMW MOTORRAD ACCESSORIES.

ERGONOMICS AND COMFORT.*

1 Low windshield

The low windshield gives the bike a sporty look and offers good protection against wind and weather. The scratch-resistant coating ensures long-term unimpeded visibility.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- Low windshield
- (+) Mounted parts

2 Comfort windshield

The scratch-resistant comfort windshield is higher than the standard windshield and offers maximum wind and weather protection for rider and pillion passenger.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Comfort windshield
- (+) Mounted parts

One-piece seat

The wider, one-piece seat with decorative stitching has all the padding you need and offers excellent comfort for both rider and passenger alike when touring. It is available in three seat heights – 750, 780 and 810 mm – and can be heated.

The installation manual is available for download from the BMW Motorrad website

- 3 • One-piece seat (seat height: 780 mm/step length: 1,770 mm)
 - (o) One-piece low seat (seat height: 750 mm; step length: 1,720 mm)
- (o) One-piece high seat (seat height: 810 mm/step length: 1,830 mm)
- (+) Mounted parts

ERGONOMICS AND COMFORT.*

Height-adjustable rider seat

The height of the rider seat can be adjusted in two positions to suit individual requirements. It improves seating comfort for various rider statures and allows for even more carefree kilometres even on long journeys. Height-adjustable rider seat available in low version and as an equipment option.

- • Rider seat, height-adjustable (seat height: 810/830 mm; step length: 1,830/1,870 mm)
- 4 (o) Height-adjustable rider seat, low (seat height: 780/800 mm; step length: 1,775/1,810 mm)
- (+) Mounted parts

- Pro gear-shift assist retrofit kit

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics. Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Pro gear-shift assist retrofit kit
- (+) Mounted parts

- LED ground-level lighting

Safe parking after sunset: the LED floor lighting illuminates the area under the bike and makes it easier to find a suitable standing space in the dark. In addition, getting off the bike and operating the main or side stands is even more secure. Even small items such as keys or coins are easier to find.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership. Only available in conjunction with option codes 603 and 417: anti-theft alarm system with central locking

- LED floor lighting

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

(+) = “and” this item must be ordered at the same time
(o) = “or” this item can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

NAVIGATION AND COMMUNICATION.*

1 BMW Motorrad Navigator VI

The multifunctional BMW Motorrad Navigator VI makes route planning child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain. In the end it will reliably lead back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Further functions such as "My motorcycle" are available with the navigation preparation; alternatively, control via the multi-controller on the handlebars is possible. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

- BMW Motorrad Navigator VI
Only available in conjunction with navigation device preparation.

- Car kit for BMW Motorrad Navigator VI

If you are leaving your motorcycle at home, you can use the BMW Motorrad Navigator VI in your car in just a few easy steps thanks to the car kit.

- Car kit for BMW Motorrad Navigator VI

2 BMW Motorrad dual USB charger

The BMW Motorrad dual USB charger can be used to charge two mobile devices conveniently via the motorcycle's 12 V socket while riding. Thanks to the automatic detection of charging technology the device automatically delivers the maximum possible charge current, thus ensuring the fastest possible charging.

- BMW Motorrad dual USB charger with 60 cm cable
- BMW Motorrad dual USB charger with 120 cm cable

NAVIGATION AND COMMUNICATION.*

- USB ports

BMW adapter cable for Apple iPhone/iPod/BMW adapter cable for micro-USB: charging function only, no multimedia function.

Lightning adapter for music (iPhone adapter)

BMW adapter cable for Apple iPhone/iPod

BMW adapter cable for micro USB

- Audio system retrofit kit

The dual-tuner radio with TMC, Bluetooth®, connections for MP3 players, iPod (via adapter cable), USB and AUX input is easy to operate, e.g. using the handlebar-mounted multi-controller. Includes navigation device preparation. Also available as an equipment option.

- Audio system retrofit kit
(+) Mounted parts

SAFETY.*

3 Engine protection bars

The tough two-piece engine protection bar is made of stainless steel with a bead-blasted matt finish. It protects the engine cover against serious impacts, while blending in perfectly with the stylish profile of the BMW K 1600 GT.

- Engine protection bar (left and right)

4 LED auxiliary headlights

The LED auxiliary headlights deliver increased safety when visibility is poor, e.g. in fog, snow and rain. Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- LED auxiliary headlights (left and right)
(+) Mounted parts

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

(+) = "and" this item must be ordered at the same time
(o) = "or" this item can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

SAFETY.*

– Anti-theft alarm system retrofit kit

Strong protection from theft: If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp. The acoustic and optical warning will quickly draw the attention of passers-by. The alarm system is activated automatically when the ignition is switched off. Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Anti-theft alarm system retrofit kit
- (+) Mounted parts

1 Brake disc lock with anti-theft alarm system

Double protection against theft: The brake disc lock with anti-theft alarm is the ideal theft deterrent when you're out with your bike. The lock made of hardened steel provides reliable protection against manipulation and is easy to store thanks to its compact dimensions. The anti-theft alarm detects the smallest movements and violent shocks and responds by emitting an acoustic alarm.

- Brake disc lock with anti-theft alarm system

– TPC (tire pressure control) retrofit kit

Tire Pressure Control (TPC) with all functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tire pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit. Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- TPC retrofit kit
- (+) Mounted parts

– First-aid kit

The extensive large first-aid kit from BMW Motorrad complies with the DIN standard for first-aid cases and should not be missing from any motorcycle. The compact small first-aid kit from BMW Motorrad fits into any motorcycle and includes basic equipment for treating minor injuries.

- First-aid kit, large
- First-aid kit, small

MAINTENANCE AND TECHNOLOGY.*

2 Multifunctional tool

The BMW Motorrad multifunctional tool has everything under control – exactly 40 useful tools for on the go and at home. From the locking blade, screwdriver and pliers to the reversible ratchet with bit extension and nine screwdriver bits.

- Multifunctional tool

– Repair manual

A clear and accessible guide to maintaining and repairing your motorcycle.

- Repair manual, DVD

3 Compact foot pump

Whether motorcycle, car, bicycle, football or air mattress – the BMW compact foot pump fits all valves and pumps extremely accurately thanks to the digital pressure gauge.

- Compact foot pump

4 Tire pressure travel set

The travel set for Tire pressure monitoring includes a small digital measuring device and CO₂ cartridges for filling.

- Tire pressure monitoring travel kit

5 LED torch

The rechargeable LED torch offers an impressive luminous flux of more than 80 lumen, an enormous light range and a long-lasting battery.

- LED torch

6 Motorcycle carpet

The high-quality motorcycle carpet reliably protects the floor under the machine from dirt, oil and petrol stains.

- Motorcycle carpet

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

RIDER EQUIPMENT.

- 1

AirFlow suit

Even on the hottest summer days, the AirFlow summer suit will keep you cool and fresh. Stretch and mesh inserts made of abrasion-resistant Dynatec material provide excellent ventilation and freedom of movement. In black, this suit has an additional Coldblack finish, to prevent it from heating up.
- 2

AirFlow gloves

These gloves are designed to complement the AirFlow suit, but are also perfect for any summer excursion. They combine thin, abrasion-resistant materials such as goatskin leather and AirTex that deliver both grip and protection. Knuckle protectors and impact-absorbing foam protect the back of the hand, while holes in the insides of the fingers ensure optimum ventilation. Your next summer tour won't be complete without them!
- 3

Flow boots

Lined and printed Flow boots for men and women are ultralight short legged boots for the summer. The choice of textiles ensures extremely good ventilation. Shin and ankle protectors, and reinforcements in the toe and heel caps offer adequate protection.

Find out about these items and other rider equipment at your BMW Motorrad dealer or at bmw-motorrad.ca

SERVICES FROM BMW MOTORRAD.

BMW Motorrad Service

The extensive service network of BMW Motorrad ensures your bike gets the care it deserves. There are over 22 BMW service centres in Canada alone, and if you're off on your travels, you'll find them in over 100 countries around the world. Their outstanding quality of service is based on reliability and speed whenever spare parts are needed, competent advice for riders, as well as excellent workshop performance. This has earned them exceptional ratings from many leading bike magazines.

BMW Motorrad online

To find out more about BMW Motorrad and our product range, visit our website at bmw-motorrad.ca

BMW Motorrad Roadside Assistance

We pride ourselves on the quality of aftersales care we provide. Like BMW Motorrad roadside assistance: round-the-clock breakdown assistance. Call 1-800-267-8269 If you have a breakdown in Canada or the USA, our experts will do everything they can to get you back on the road. If they can't fix the problem immediately, they'll get you to your destination by other means.

BMW Financial Services

Freedom on two wheels. BMW Financial Services helps you to get the most out of your riding experience. Financial services are very similar to configuring your own personal bike: an individual solution is always best. And that is particularly true when it comes to your mobility.

Finance

BMW Financial Services offers convenient finance solutions that are tailored to your individual needs.

BMW Basic Finance

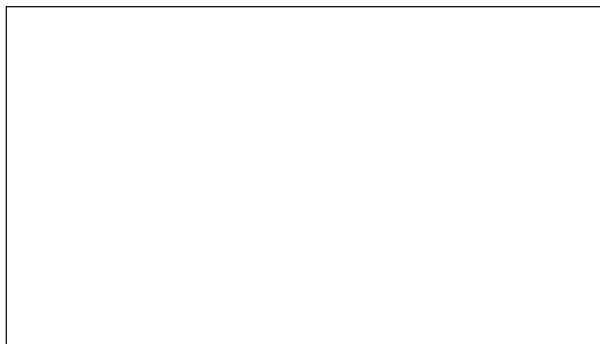

Choose a term (12 to 84 months) with a downpayment and instalments to suit your budget. Get your personal quote from your BMW Motorrad dealer.
